Skills

Languages

C 
C++ 

Front End

HTML 
CSS 
JS 

Back End

PHP 
Node.js 

Education

2017 - Present	MCA, University of Hyderabad
2014 - 2017	B. Sc., FM Autonomous College
2012 - 2014	Intermediate, JNV Mayurbhanj
2010 - 2012	10th, JNV Mayurbhanj

Projects

Moodle Plugin Development (Ongoing)

The goal of the project is creating a Moodle question type plugin that allows programming questions and have builtin automatic evaluation.

Fake News Detection

This project was for SIH 2018. I was responsible for developing the front end and connecting it to backend.
